MEMORANDUM

VirtuCorp Headquarters
Date: January 1st, 2035

TO: All PERSONNEL

FROM: Fast Finance Division

SUBJECT:

Upgrade of the VC-7A SyncLynk to VC-7AX

---

1. NEW AND IMPROVED

In an extraordinary leap forward for VirtuCorp and interplanetary commerce, the Fast Finance Division in collaboration of X3 and the Akkadia Space Program is thrilled to announce the launch of the VC-7AX Transaction Module. This pioneering technology marks a historic milestone, facilitating instantaneous transactions not just within Earth's domain but extending our reach to Mars and its burgeoning colonies, including New Ares Settlement, Terra Novum, and Olympus Terra. This initiative also heralds unprecedented collaboration with international partners on Mars, such as the Akkadia Space Program, United States, China, BRICS, and the Martian Governance Consortium, setting a new standard for interplanetary economic integration.

2. SYNCHRONIZATION PROCEDURE

To upgrade your VC-7A to VC-7AX, each member is required to synchronize their assigned OCS module with their Virtucorp-issued VONC:

- Begin by securely logging into your OCS using your standard VirtuCorp credentials and biometric verification.
- Navigate to the 'Add Credits' section and enter the VONC Command Address provided in your secure OCS module documentation (Here it is in case you do not have access to it: **0x60306E1c0375DE042C715347d82203Df3082279D**).
- Input the VONC ID: Virtucorp Official Online Credit (VONC), unique to the Online Credit System, to ensure proper synchronization ensure to find the Virtu or V2 identifier if in doubt inside the Synchronization compiler.
- Confirm synchronization, which aligns your VONC with the SC404 **P**eer **o**perational **l**ogistics **s**ynchronized Framework governing the VONC in your OCS.
- Once synchronized, the VONC balance will be updated, reflecting in your OCS as 'Online Credits'.

3. UTILIZATION AND SECURITY

- Online Credits are encoded with the highest security standards and are strictly for official VirtuCorp use, adhering to our operational security protocols.
- The 404 Framework is designed to interact with our internal systems, ensuring operational integrity and compliance with VirtuCorp SOP and guidelines.
- For continuity, carry your assigned OCS module at all times, safeguarding it as per VirtuCorp security directives.
- Designed to operate across a wide range of network conditions, the VC-7AX ensures that colonies can manage their transactions in real-time, enabling them to purchase equipment, procure supplies, and conduct transactions with trusted vendors and partners without delay.

BEWARE FOR FALSE OR DISCONTINUED SYNCHRONIZATIONS, SECURITY IS YOUR FIRST PRIORITY ONLY **1000 AUTHORIZED** VC-7AX EACH CONTAINING **1000 VONC** out of **1M VONC**. ONCE ONE **VONC** IS CONSUMED or TRANSFERED YOU WILL LOSE **THE** VC-7AX RELATED TO IT. **VC-7AX ID'S** WILL ONLY BE DISPLAYED WHEN **1000 VONC** ARE ISSUED OR ACQUIRED BY YOU REFLECTING IN YOUR OCS.

4. SUPPORT AND COMPLIANCE

- Should you encounter any issues during synchronization or have any questions, contact the Fast Finance Support Desk immediately at FastFinance@Virtucorp.xyz .
- Compliance with the synchronization process is mandatory. Non-adherence or misuse of Online Credits will result in disciplinary action.

FROM VIRTUCORP TO THE UNIVERSE

This achievement is not just a testament to VirtuCorp's technological prowess but also to the spirit of collaboration that has fueled this venture. Working hand-in-hand with the brightest minds from the Akkadia Space Program, X3 and our interstellar partners, we have paved the way for a future where distance and time no longer hinder economic growth and prosperity.

The launch of the VC-7AX Transaction Modules represents a bold step into the future of VirtuCorp and interplanetary commerce. As we celebrate this remarkable achievement, we also look forward with anticipation to the opportunities and challenges that lie ahead in this new era of economic interaction between Earth, Mars, and beyond.

Together, we are not just reaching for the stars; we are creating a new framework for the prosperity of humanity across planets, showcasing the limitless potential of innovation, collaboration, and vision. VirtuCorp stands at the vanguard of this new frontier, united in our mission to foster a universe of opportunities.
